

I, _____, agree to enrol in Tiffany Klassen's Authentic Birth Work Mentorship program in the cohort track.

I understand that this is not an educational course, but rather a self-directed mentorship with journal prompts to guide my introspection and research. I understand that Tiffany's role is not to tell me what to do or how to support families, but to help me figure out for myself how I would like to do this work.

I agree to work with Tiffany to find a suitable, regular time to talk over Zoom, and to keep this appointment time each week for the duration of the program. If I have to cancel last minute due to sickness, family emergency, etc, I will work with Tiffany to find a suitable make-up session, depending on both of our schedules.

I understand that I am unable to reschedule our Zoom calls more than 3 times, since the originally scheduled time will still be attended by Tiffany and the other cohort members and I have paid for the cohort track. If I need to reschedule above and beyond 3 times, I understand I will simply miss our scheduled time and resume meeting the following week as per schedule.

I agree to access Tiffany's eCourses for my own education purposes and not to share my login information with anyone else.

I agree to keep the THRIVE logo and header on any resources I share with clients, and not to alter THRIVE's documents in any way.

I understand that if I sign up to pay using monthly payments and miss a payment, the next four weeks of journal prompts will not be released to me, nor will the Zoom call be honoured, until this is paid. If this payment is not made within 14 days of being due, it will be assumed that I no longer want to be enrolled in the program and all subsequent Zoom calls will be cancelled. There will be no refund available.

I understand that the 12-month mentorship begins at completion of the 16-week program, and includes 24/7 telephone access to Tiffany unless she is busy at a birth herself.

I understand that if I sign up to pay for the mentorship using monthly payments and miss a payment, the mentorship will be paused until a payment is made. If this payment is not made within 14 days of being due, it will be assumed that I no longer want to be enrolled in the program and there will be no

refund available.

I understand that Tiffany Klassen can not provide any medical advice and that it is my client's responsibility to seek the advice of a regulated professional when alternative therapies are offered to ensure it is safe and appropriate for her or her baby.

I understand that I am eligible for a full refund within 14 days of starting the program if I am not 100% satisfied. This payment will be made via e-transfer.
